ETHAN ALLEN®

— THE INTERIOR DESIGN DESTINATION —

OUR PROMISE TO YOU

GREAT STYLE ■ QUALITY CRAFTSMANSHIP ■ PERSONAL SERVICE
EXCELLENT VALUES ■ SOCIAL RESPONSIBILITY

Ethan Allen has been on a **remarkable 92-year journey from furniture maker to interior design destination**. Our journey of constant reinvention began in Vermont and has taken us all over the globe.

We still craft about 75% of our products in our very own North American workshops, keeping the same **commitment to exceptional quality** that has been our hallmark for nearly a century. Yet it's the talent of our people, from the craftspeople who make our furniture to the interior designers who work with our clients, that makes Ethan Allen so unique.

No place demonstrates that talent better than **our Design Centers, where personal service and technology converge** to create an experience like no other, and where traditional craftsmanship and cutting-edge 3D design tools live side by side.

As the leader of this proud American brand for 36 years, I personally invite you to visit a Design Center, to schedule a home visit, or to contact us online for all your interior design needs.

SEE THE FUTURE OF ANY PROJECT

IN STATE-OF-THE-ART 3D

We get every detail right, from furniture to lighting and rugs.

Our interior designers still share things like fabric and finish swatches, rug samples, and paint palettes, but nothing beats the experience of seeing it all come together in a 3D tour of the project.

We make sure everything fits and flows from room to room.

Our designers create fully furnished 3D renderings of each project, with accurate measurements, photorealistic lighting designs, even exterior window views. Clients can see how each room is laid out and how everything fits together within their home.

We offer many of our design tools on our website or on your mobile device.

Clients can try our online 3D room planner or download the EA inHome® app to generate ideas for any project. Their designer's help is just a click, email, phone call, or visit away.

HANDCRAFTED FURNITURE FOR 92 YEARS & COUNTING

YEARS AGO, WE WATCHED MANY FURNITURE COMPANIES
MOVE THEIR PRODUCTION OVERSEAS. **WE CHOSE TO STAY RIGHT
HERE IN NORTH AMERICA—IT'S WHERE WE MAKE ABOUT
75% OF OUR PRODUCTS.**

What you see in a magazine or in a Design Center is just the beginning of what we can create. Our craftspeople can fashion your chosen table, buffet, media cabinet, coffee table, and more in any of our durable finishes, adding the unique details available for the furniture you've chosen.

We started crafting furniture in Vermont almost a century ago, and we're proud to say that today, our reputation for quality and craftsmanship endures—**built piece by piece, decade after decade, on the pride and passion of our craftspeople.**

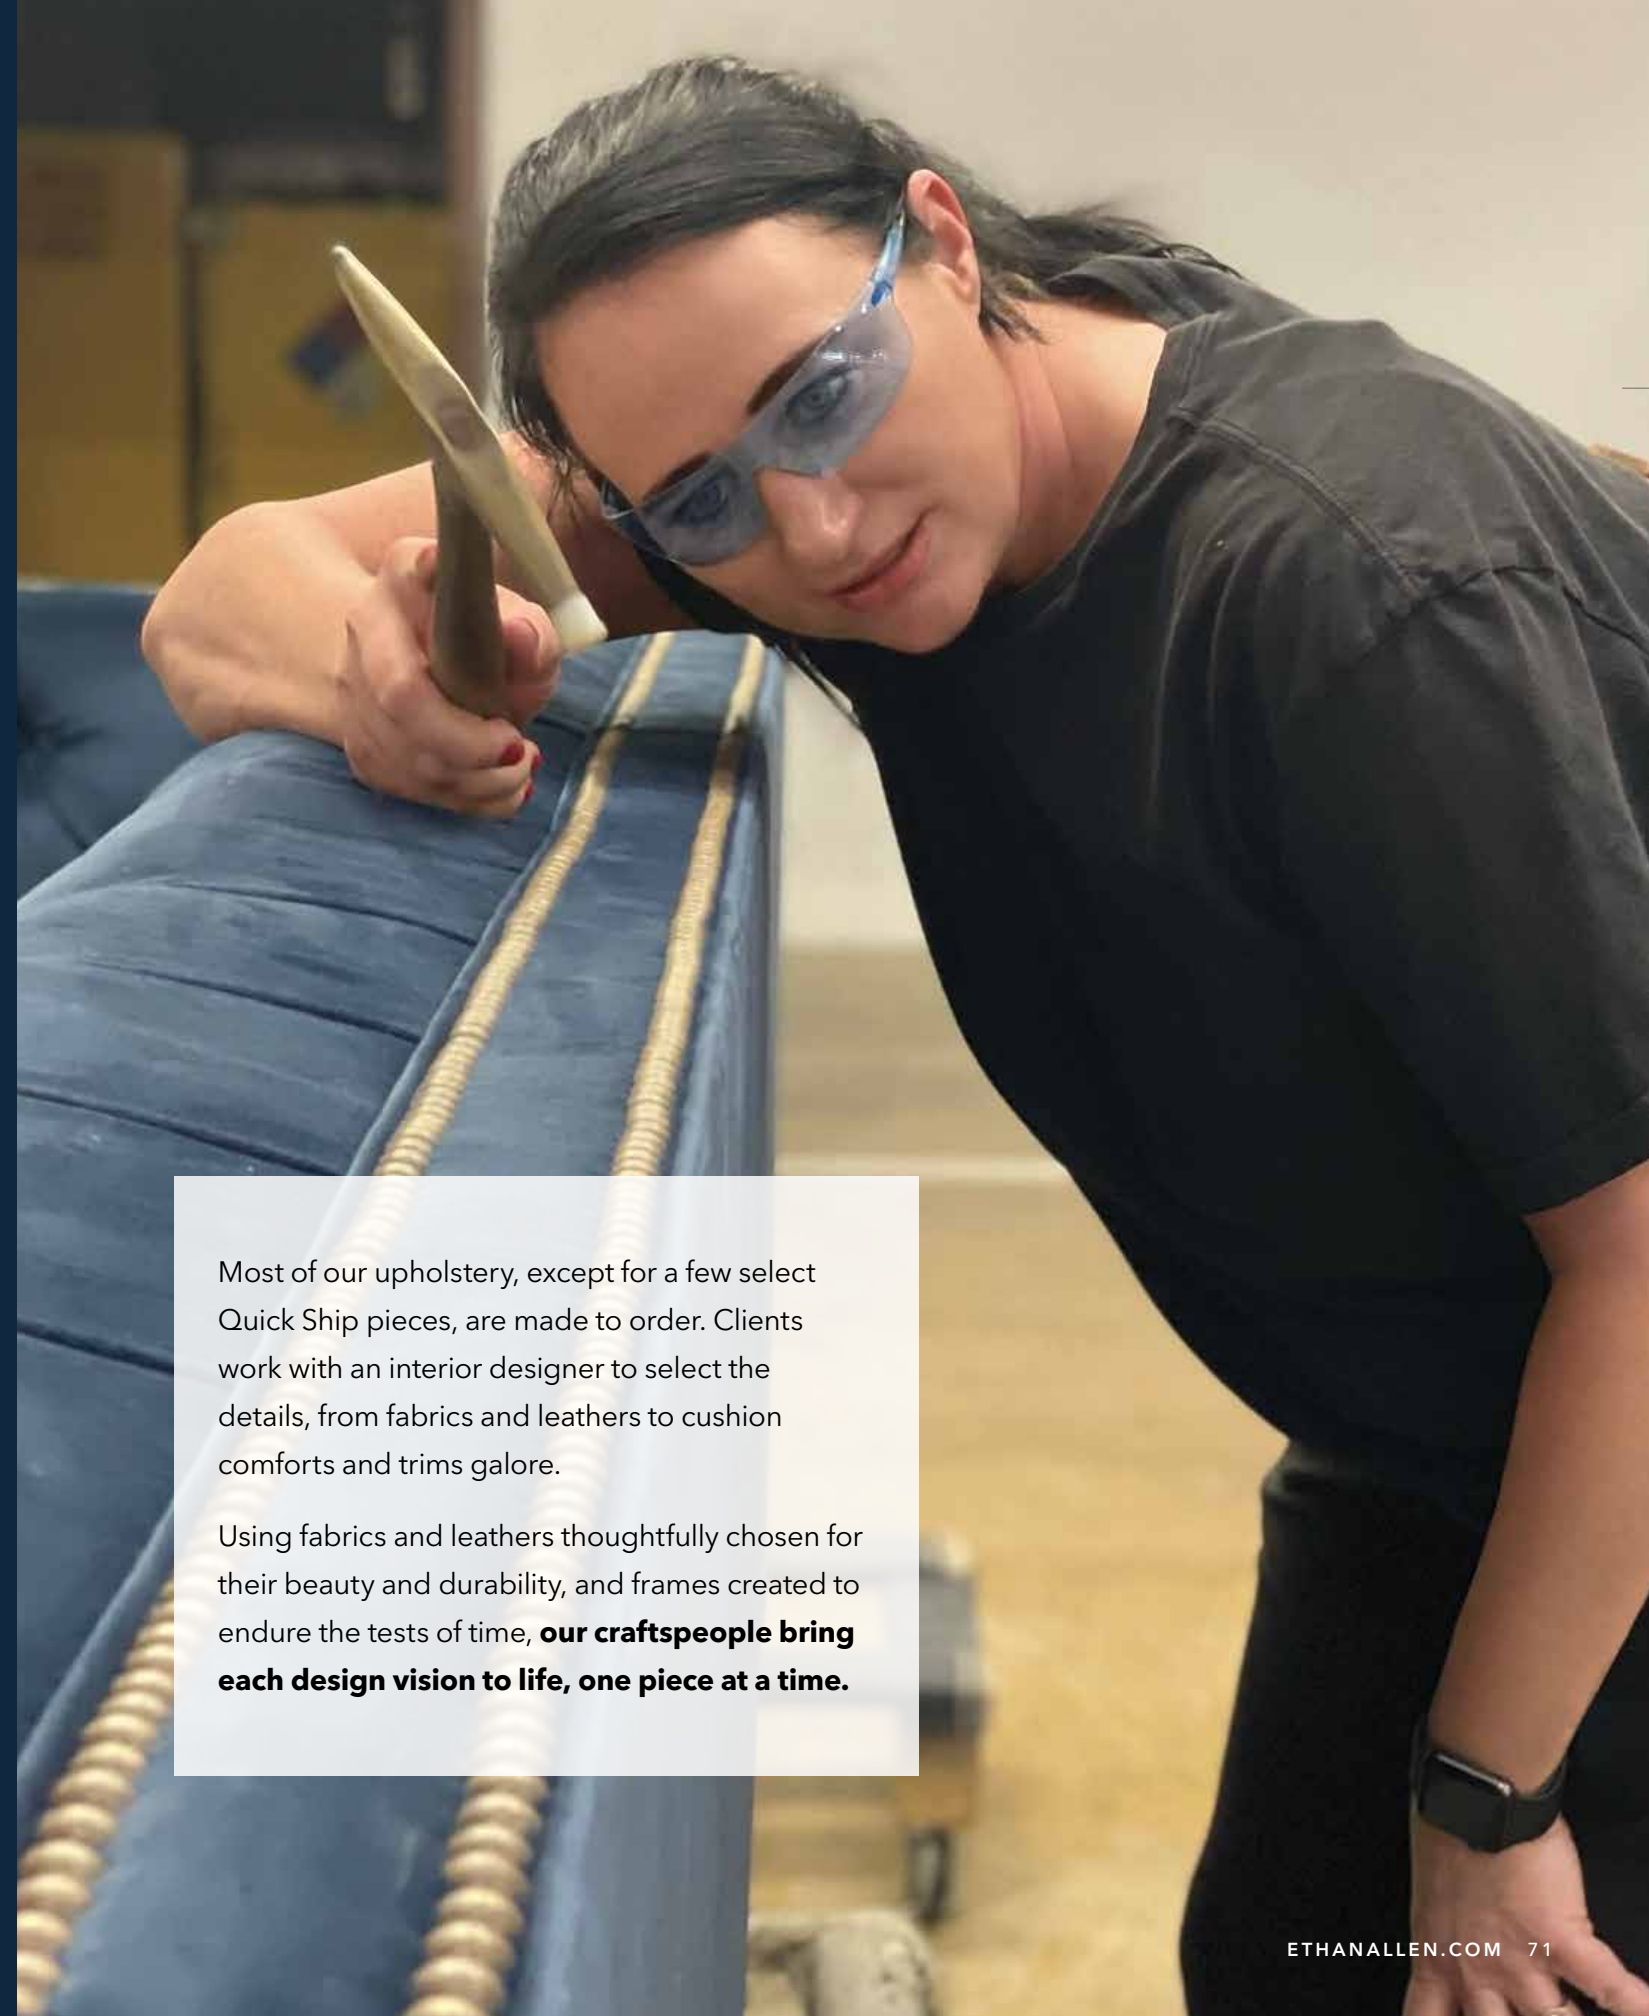

THE CRAFT BEHIND OUR CUSTOM UPHOLSTERY

WE BEGAN AS MAKERS OF EARLY AMERICAN WOOD FURNITURE
BEFORE EXPANDING INTO THE CRAFT OF UPHOLSTERY.
EVERY PIECE OF ETHAN ALLEN UPHOLSTERY IS TAILORED BY HAND
IN OUR VERY OWN WORKSHOPS.

Most of our upholstery, except for a few select Quick Ship pieces, are made to order. Clients work with an interior designer to select the details, from fabrics and leathers to cushion comforts and trims galore.

Using fabrics and leathers thoughtfully chosen for their beauty and durability, and frames created to endure the tests of time, **our craftspeople bring each design vision to life, one piece at a time.**
