— THE INTERIOR DESIGN DESTINATION —

*have the furniture  
you're dreaming of*

**MADE IN  
NORTH  
AMERICA**

Do you know what sets Ethan Allen apart? We as a company are driven by a strong set of core values: traditional craftsmanship, personal service, and state-of-the-art design technology.

In our North American workshops, **where we still make about 75% of our furniture**, our craftspeople exemplify our values through their exacting work. Every piece you order receives our craftspeople's personal attention—just as every piece has for the last 92 years.

Our interior designers provide one-on-one service that includes their expert advice, free samples, and **3D room plans** to help you visualize your project. Whether you meet your designer at home, in a Design Center, or online, **our complimentary design service is included in every project**—a truly unbeatable value.

This spring, **I invite you to schedule a home call or visit a Design Center** to experience our values in action, and to discover the value of owning furniture crafted to last for years to come.

# DESIGN WITHOUT WALLS

## BRING INTERIOR DESIGN TO THE GREAT OUTDOORS

For designers like Spirit Award winner Deena Doherty, every project is about more than just the interior design—it's about the client, their life, and how they hope to feel when they're at home.

**Deena Doherty**  
Danbury, CT  
EA Spirit Award winner:  
Best Home & Garden Space

After downsizing, one of Deena's long-time clients needed help making her new home feel like her own. Over the years, Deena had gotten to know the client's tastes, but she wanted to make the new house feel like home in a new way, to help her client feel excited about this new phase in her life.

3D Room Plan

To help the client visualize her project, Deena prepared an extensive 3D rendering and gave the client a tour of the entire home. **"Ethan Allen designers are just a higher caliber," says Deena. "You're in better hands, and you know you're being taken care of."**

To design the poolhouse and patio, Deena took inspiration from the new turquoise pool tiles to create a bright palette that incorporated pieces the client already owned, like the black and white stool on the pool deck. Deena then sprinkled turquoise, black, and white not only around the patio and poolhouse but also around home's interior to make the entire design feel cohesive.

Designing a whole home can feel overwhelming, but an interior designer's help can make a big project feel just the way it should—fun and exciting. **Schedule your complimentary 3D planning session with an Ethan Allen designer today.**

# HANDCRAFTED FURNITURE THAT LASTS FOR GENERATIONS

WE HEAR IT ALL THE TIME: "I GREW UP WITH ETHAN ALLEN,"  
"I INHERITED A PIECE OF ETHAN ALLEN I LOVE," AND "I CAN'T WAIT TO GIVE  
THIS PIECE TO MY CHILDREN." **ETHAN ALLEN FURNITURE HAS BEEN A PART  
OF FAMILIES' HOMES—AND LIVES—FOR 92 YEARS AND COUNTING.**

Much of our wood furniture is made using sustainably sourced Appalachian hardwood we mill and kiln-dry ourselves. It's a process that takes up to a year—so why do we do it? Because kiln-drying results in more durable wood, which means your furniture will last from the moment we start working on it through years of life in your home.

By using the finest materials and techniques, our craftspeople make furniture worthy of passing on to your loved ones. That's why the Ethan Allen name remains synonymous with artistry and quality you can count on.

# HAND-TAILORED UPHOLSTERY MADE CLOSE TO HOME

YEARS AGO, WE WATCHED MANY FURNITURE COMPANIES MOVE THEIR PRODUCTION OVERSEAS. WE CHOSE TO STAY CLOSE TO HOME, WHERE OUR COMPANY BEGAN—AND WHERE WE STILL CRAFT 75% OF OUR FURNITURE, INCLUDING ALL OF OUR UPHOLSTERY.

What you see online or in the Design Center is just the beginning. **Work with a designer to explore our catalog of hundreds of fabrics and leathers—we just added dozens of fresh choices.** Then, ask about which options are available; some pieces can be made with contrast welting, pattern tufting, accent buttons, and more.

Every detail is added by hand by one of our craftspeople, resulting in a one-of-a-kind piece of furniture in which you can see the artisan's touch. It's a matter of pride—and it's **why every piece of Ethan Allen upholstery is destined to be a treasure your family loves for generations.**
