ETHAN ALLEN®

— THE INTERIOR DESIGN DESTINATION —

One of my favorite ways to describe Ethan Allen is **“classic design, modern perspective.”** The spaces you’ll see in this magazine illustrate that concept perfectly.

If you love a room you see here, you can re-create it using our **complimentary interior design service**. Our professional designers can visit your home and adapt our look to your unique tastes and your home’s unique architecture.

If you have your own design concept in mind, our designers will pull from our wide array of furniture frames, recommend fabrics and finishes that capture your vision, and find the ideal finishing touches from our **whole-home accents selection: lighting, drapery, wall décor, and more.**

A 3D rendering created just for you will help you preview your new space, so you can order with confidence. Your vision then passes into the hands of our craftspeople—**we still make about 75% of our furniture in our very own workshops.**

Schedule a home call or visit a Design Center to get a new perspective on your home.

A wish for an upholstered bed turned into an entire bedroom redesign—and a Spirit Award win for interior designer Jill Workman—illustrating the beautiful results that come from a designer who’s patient with each client’s process.

3D rendering

Jill’s client wanted to take time to make thoughtful decisions, and she preferred to see the details up close. “We filled two cars with accessories to take to her house,” Jill recalls. “I took rug samples and bench fabrics over.”

After a series of home calls and meetings in the Design Center, Jill created a stunning bedroom designed around a tufted upholstered bed, a full complement of beautiful bedding, and an elegant end-of-bed bench. A textured grasscloth wallcovering, designed to coordinate with the room’s Earl Grey wood finishes, anchored the serene tone.

MADE FOR YOU & BUILT TO LAST

WE HEAR IT ALL THE TIME: "I GREW UP WITH ETHAN ALLEN,"
"I INHERITED A PIECE OF ETHAN ALLEN I LOVE," AND "I CAN'T WAIT TO GIVE
THIS PIECE TO MY CHILDREN." ETHAN ALLEN FURNITURE HAS BEEN A PART
OF FAMILIES' HOMES—AND LIVES—FOR 92 YEARS AND COUNTING.

There's long-lasting value in a piece of furniture made by hand to a high standard of quality. That's why we still mill many of our own logs, kiln-dry our wood, and craft most of our furniture ourselves.

Years ago, we watched many furniture companies move their manufacturing overseas. We chose to stay close to home, where our company began—and where **we still craft about 75% of our furniture in our very own workshops.** It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.

WE BRING CUSTOM UPHOLSTERY TO LIFE

WHAT YOU SEE ON OUR WEBSITE OR IN OUR DESIGN CENTER IS ONLY THE BEGINNING OF WHAT YOU CAN MAKE WITH ETHAN ALLEN. LIKE A STYLE, BUT PREFER A DIFFERENT FABRIC OR LEATHER? OUR CRAFTSPEOPLE WILL MAKE IT HAPPEN.

At Ethan Allen, we're on a mission to make custom quality accessible to everyone. Buy it once, keep it for years, love it for a lifetime—that's our motto.

Within each evenly folded pleat, each hand-placed nailhead, each tuft and accent button lives a craftsman's investment of time and talent.

In return, **our upholstery provides years of hardworking function and exceptional beauty—at a value you won't find anywhere else.**
