THE BEST

quality, value & service

ETHAN ALLEN[®]

— 90 YEARS OF INNOVATION —

EVERYTHING STARTS WITH QUALITY & VALUE

We still make about 75% of our products in our own North American workshops and offer them at values you can feel good about. We design our products, craft them, and deliver them—an experience you won't get anywhere else.

Because we make so much ourselves, we can ensure **quality** by using time-tested craftsmanship techniques and tailoring every piece of upholstery by hand. We can make certain that only the best materials go into every product.

By making so much ourselves, we can offer an **extraordinary variety of styles**, customizable in your favorite fabrics, leathers, finishes, and options. We can also **service our orders more quickly** than our competitors.

Although “custom” will always be our core, we now offer more in-stock pieces that can be delivered faster than ever—all made with the handcrafted detail you expect from Ethan Allen.
