ACCENTS
for every room in your home

ETHAN ALLEN®

— 90 YEARS OF INNOVATION —

THE DESIGN JOURNEY OF
AN ENTIRE ROOM BEGINS WITH
ONE
EXTRAORDINARY
ACCENT

A single artisan-crafted accent—a chandelier, art print, or hand-knotted rug—can become the inspiration for truly exceptional interior design.

Let our designers help you find that one extraordinary accent and unlock the design possibilities within its colors, patterns, materials, and textures.

Let them take you through our Design Center to see the quality of our accents up close. Send them an image you love, and they'll build a 3D room plan around it.

This magazine begins your journey through the variety of handcrafted accents that we offer, and the materials and craftsmanship that make each one truly extraordinary.

**Our commitment
to craftspeople**

We work with the finest artisans from regions with generations of artisanal tradition, championing economic opportunity for all, plus working conditions in which they can thrive.

accent tables

It's more than just a surface; it's a style statement all its own. Our accent tables are artisan-crafted exclusively for Ethan Allen in unique silhouettes and materials, then finished in everything from hand-applied gold leaf to hand-polished lacquer.

To craft the tops of our Nayeli nesting tables, artisans apply multiple layers of naturally occurring lacquer, water-polishing it to perfection before applying the next layer.

HAND-PAINTED
porcelain
JARS

Let these homages to global history be your muse as you design your room. Porcelain's signature white-and-blue glaze and culturally inspired patterns decorate your most elegant spaces.

Before crafting each of our vases, artisans apprentice for as long as a decade just to learn the underglazing technique.

windows

Drapes balance beauty and function by adding color and texture to your windows while providing both climate and light control, and privacy. Customize your drapery's fabric, header style, decorative trim, tape, and border; add shades or blinds plus drapery hardware to cap off the look.

Master artisans sew your drapery to order, adding custom features like weights so that each panel hangs beautifully.

EXTRAORDINARY craftsmanship

Hand-painted, hand-sculpted, hand-finished, handwoven—hand-craftsmanship shapes every accent exclusively created for Ethan Allen.

We travel the world in search of treasures made by the finest artisans in existence. Sand-casted metal, mouth-blown glass—each piece is a showcase of unparalleled skill.

Honoring our own entrepreneurial heritage, we prioritize small-business vendors and women-owned companies whenever possible.

Above all, we ensure that everything these artisans make is worthy of the Ethan Allen name.
