

It's been 92 years since we started **our journey from furniture maker to interior design destination.** Our Design Centers have evolved into places where traditional craftsmanship and state-of-the-art design technology live side by side.

We still craft about 75% of our products in our North American workshops, upholding the reputation for quality we've spent almost a century earning. From idea to delivery day, your Ethan Allen designer's service is complimentary, and includes free samples and 3D room planning to help you visualize your project.

I invite you to take advantage of the extraordinary values we're offering this month. **Begin with a one-hour interior design** session at your home, in the Design Center, or via online appointment-we hope to see you soon.

SEE THE FUTURE OF YOUR HOME IN STATE-OF-THE-ART 3D

It's fair to call Ethan Allen Spirit Award winner Traci Duva a 3D planner power user. She says that 3D planning gives her the power to work with clients no matter where they are, and it also makes their design project feel more real-like it belongs to them.

In her renderings, Traci decorates every shelf, adds a realistic background and lighting, and sometimes adds clients' rugs and artwork. "Clients think it's cool, how real the 3D plan looks."

3D rendering

She knew her clients would spend a lot of time on their patio, so she set up living and dining areas beneath the roof, adding two chaises near the railing where they could bask in full sun. A lowcountry coastal paletteblues, whites, mossy greens-tied the patio palette to the home's interior.

Traci Duva Jacksonville, FL EA Spirit Award winner: Excellence in 3D Rendering

When a client from Chicago contacted her about a condo they'd purchased on Amelia

Island, off the Florida coast, Traci found the architectural plans online and drafted a 3D floor plan almost immediately. When the client came to town, all she had to do was measure the space to make sure everything fit.

HANDCRAFTED FURNITURE FOR 92 YEARS & COUNTING

> YEARS AGO, WE WATCHED MANY FURNITURE COMPANIES MOVE THEIR PRODUCTION OVERSEAS. WE CHOSE TO STAY RIGHT HERE IN NORTH AMERICA-IT'S WHERE WE MAKE 75% OF OUR PRODUCTS.

What you see in a magazine or in a Design Center is just the beginning of what we can create. Our craftspeople can fashion your chosen table, buffet, media cabinet, coffee table, and more in any of our durable finishes, adding the unique details available for the furniture you've chosen.

We started crafting furniture in Vermont almost a century ago, and we're proud to say that today, our reputation for quality and craftsmanship endures– built piece by piece, decade after decade, on the pride and passion of our craftspeople.

WHAT MAKES OUR CUSTOM UPHOLSTERY SO SPECIAL

AT ETHAN ALLEN, YOU SELECT THE DETAILS, FROM FABRICS AND LEATHERS TO CUSHION COMFORTS AND TRIMS GALORE. OUR CRAFTSPEOPLE THEN BRING YOUR UPHOLSTERY TO LIFE, ONE PIECE AT A TIME, TAILORING IT BY HAND IN OUR NORTH AMERICAN WORKSHOPS.

Fabrics and leathers thoughtfully chosen for their beauty and durability. Cushion fills that hold their shape for years to come. Frames and finishes created to endure the tests of time. That's what you get when you invest in furniture made for you by Ethan Allen.

From craftspeople-sewing experts, leather cutters, upholsterers, and more-to the inspectors who ensure every piece meets our quality standards, **many hands** work together to help each one-of-a-kind piece of upholstery find its way to the heart of your home. 0000000000000000
