How do you want to feel when you walk into a room? Set the tone with a stunning piece of wall art, and switch it up as often as you like. From dramatic large-scale solo canvases to series fit for a gallery wall, we have something for every taste, space, and palette—and every mood you can imagine.

PERFECTING THE ART OF QUALITY

Printed with high-quality giclée inks that capture every shade of the spectrum and every nuance of the original work. Framed by hand in solid wood, with no-wire hanging systems that must pass a 10-point inspection before journeying to your home.

At Ethan Allen, we believe that a flawless presentation is an extension of the artistic process. We honor the spirit of every work, and the artist behind it, by crafting each piece to last a lifetime.

MANY OF OUR PRINTS ARE EMBELLISHED BY THE ORIGINAL ARTIST, WITH EITHER BRUSHSTROKES FOR ADDED TEXTURE OR METALLIC LEAF FOR LUXURIOUS LUSTER.

ABSTRACT

Abstract art takes familiar forms and ideas, breaks them down to their elements, and reimagines them in unexpected ways. Don't pigeonhole them as modern; we find that abstracts are decidedly transitional and work beautifully in classic spaces, too.
