

ETHAN ALLEN®
— THE INTERIOR DESIGN DESTINATION —

It's been 92 years since we started **our journey from furniture maker to interior design destination**. Our Design Centers have evolved into places where traditional craftsmanship and state-of-the-art design technology live side by side.

We still craft about 75% of our products in our North American workshops, upholding the reputation for quality we've spent almost a century earning. From idea to delivery day, **your Ethan Allen designer's service is complimentary**, and includes free samples and 3D room planning to help you visualize your project.

I invite you to take advantage of the extraordinary values we're offering this month. **Begin with a one-hour interior design session at your home, in the Design Center, or via online appointment—we hope to see you soon.**

WE MAKE HOME CALLS

AND THEY'RE ALWAYS COMPLIMENTARY

"It helps me guide a client better when I can see their home," says Sarah Guilfoyle, an Ethan Allen designer from Massachusetts. "I can see how they live and how they use their space—for conversation, TV, games, etc. I can see what the room's focus is, which tells me how the furniture should be arranged."

Visiting a client's home helps designers see the room's unique design challenges and make the right suggestions. "A brick or stone fireplace may lead me to a certain palette for the room, and seeing the flooring helps me recommend wood finishes and rug sizes."

3D floor plan

3D room plans are included in our complimentary design service, no matter where you meet your designer. "It helps clients see their space," Sarah says. "They love that feature."

One of the best things about doing a home call is having the chance to measure the space. "It can come down to an inch or two, whether a piece can fit," Sarah notes. Clients may also forget to mention important factors, such as whether they own pets. "When I see pets, I know I may want to recommend leather or performance fabrics."

Going the extra mile to do home calls helps designers like Sarah get the project right the first time and ensures that clients get the most value for their budget. Ready to kick off your interior design project?

HANDCRAFTED FURNITURE FOR 92 YEARS & COUNTING

YEARS AGO, WE WATCHED MANY FURNITURE COMPANIES MOVE
THEIR PRODUCTION OVERSEAS. **WE CHOSE TO STAY RIGHT HERE IN
NORTH AMERICA—IT'S WHERE WE MAKE 75% OF OUR PRODUCTS.**

What you see in a magazine or in a Design Center is just the beginning of what we can create. Our craftspeople can fashion your chosen table, buffet, sofa, bed, and more in your favorite fabric or finish, adding the unique details available for the furniture you've chosen.

We started crafting furniture in Vermont almost a century ago, and we're proud to say that today, our reputation for quality and craftsmanship endures—**built piece by piece, decade after decade, on the pride and passion of our craftspeople.**

WHAT MAKES OUR CUSTOM UPHOLSTERY SO SPECIAL

AT ETHAN ALLEN, YOU SELECT THE DETAILS, FROM FABRICS AND LEATHERS TO CUSHION COMFORTS AND TRIMS GALORE. **OUR CRAFTSPEOPLE THEN BRING YOUR UPHOLSTERY TO LIFE, ONE PIECE AT A TIME, TAILORING IT BY HAND IN OUR NORTH AMERICAN WORKSHOPS.**

Fabrics and leathers thoughtfully chosen for their beauty and durability. Cushion fills that hold their shape for years to come. Frames and finishes created to endure the tests of time. That's what you get when you invest in furniture made for you by Ethan Allen.

From craftspeople—sewing experts, leather cutters, upholsterers, and more—to the inspectors who ensure every piece meets our quality standards, **many hands work together to help each one-of-a-kind piece of upholstery find its way to the heart of your home.**
