## MADE WITH PASSION BY OUR CRAFTSPEOPLE

For 90 years, we have put our hearts into creating timeless, relevant furniture. Every piece's exquisite quality makes it worthy of passing down for generations.

Nearly 75% of our products are made in our own North American workshops: Beecher Falls and Orleans, Vermont; Maiden, North Carolina; Silao, Mexico; and Honduras. There, timeless heirlooms come together in the hands of expert craftspeople, using time-honored techniques, modern technology, and their own passion.

Our talented designers will bring your vision to life. Our experienced craftspeople will make it by hand. Our courteous delivery specialists will bring everything to your home.

At Ethan Allen, our passion leads to an experience you won't find anywhere else. This month only, enjoy savings on heirloom-quality pieces, made by the very best craftspeople in the industry.

# Livingston

DINING TABLE

Sculptural spiral legs add the perfect amount of artistic beauty to Livingston, while the finish preserves the wood's unique characteristics, such as natural color variations. Choose a single finish or contrasting legs and top.

#### KEEP YOUR TABLE LOOKING TOPS

Add a custom-fitted table pad to safeguard against spills, scratches, and dents. Available in Design Centers.

Our upholstery comes to life in our workshops in Maiden, NC, and Silao, Mexico, areas with long-standing traditions of fine furniture and leather craftsmanship.

Ethan Allen still operates workshops in Vermont's Northeast Kingdom, in both Orleans and in Beecher Falls where our company began.

# extraordinary craftsmanship

BUILDS VALUE INTO EVERY PIECE

Since 1932, we've built timeless quality into every piece of furniture we make.

Your furniture begins with sustainably sourced lumber that we kiln-dry ourselves. We craft every piece using traditional techniques complemented by state-of-the-art technology: Laser-cut motifs and lathe-turned legs meet hand-applied finishes and hand-carved details.

We source fabric from the finest makers, and only select fabrics that meet the highest standards for colorfastness, seam integrity, and more. Our craftspeople tailor every piece of upholstery by hand; when crafting leather furniture, they cut and color-blend every single hide by hand.

Choose your frame, finish, and customizations. Our skilled craftspeople will craft a one-of-a-kind treasure that your family will love for generations.
