*how our values are*  
**GIFTS FOR LIVING  
GENEROUSLY**

As we begin to prepare for this most joy-filled time of year, we are reminded to pause and reflect upon the gifts of family, friends, and home, for which we are truly thankful. At Ethan Allen, we are grateful for so many things each day: Our valued clients, our world-class designers, our delivery professionals, and the craftspeople who make up our skilled North American community of upholstery and woodworking talents.

But just saying we are thankful, or grateful, is not enough and must be backed by actions. Actions are gifts that speak louder than words, which is why at Ethan Allen we live by values that guide our work and our dedication to doing more and better every day.

One of these values is **Social Responsibility**: As champions of fair labor standards and economic opportunity all over the world, we insist on the highest safety and environmental standards, both within our own workshops, where about 75% of our products are made, and for the artisans who create our unique accents, from hand-knotted rugs to hand-painted florals.

Our **Commitment to Quality** can be seen in the details of our finely crafted offerings. **Personal Service** naturally goes hand in hand with our Commitment to Quality, as we always strive to provide our clients with world-class design service and impeccable, white-glove delivery.

Another value is **Sustainability**. We are industry leaders in environmentally responsible manufacturing and operations. From recycling wood chips and sawdust to cogenerate electricity for wood-drying kilns, to routing our delivery trucks to minimize the number of miles driven and fuel consumed, we are helping to preserve our greatest gift of all: the Earth.

And of course, there is our unique perspective on American style, which can be seen throughout our most giftable offerings spanning our Classic, Country & Coastal, and Modern lifestyles.

In this festive time, on behalf of our Ethan Allen family, I wish you and yours a home filled with all the beautiful gifts of the season.

QUALITY

Patience, pride, and skill: Some call them talents; we see them as gifts that we give in every handcrafted detail of our wood furniture.

Whether we're working with wood that we've milled ourselves in Beecher Falls, Vermont, or from lumber inspected by our National Hardwood Lumber Association (NHHLA) certified team in Pine Valley, North Carolina, every piece of maple, cherry, birch, and oak is kiln-dried in our very own ovens.

Hardwoods like maple dry in three or four weeks; oak can take as long as a year. We never rush the process because using wood with the perfect moisture content helps to keep the wood in your finished furniture from splitting or cracking.

We fit carefully chosen boards together by hand to construct our rough-sawn tabletops. We attach legs to tables with mortise-and-tenon joinery and fit drawers together with dovetail joinery. To complete each piece, we sand wood surfaces and apply each layer of the finish by hand. Nothing leaves our workshops without passing a rigorous inspection.

The quality Ethan Allen furniture you purchase today, whether for you or for gifting, will provide years of stylish and worry-free function. It's our promise to you.

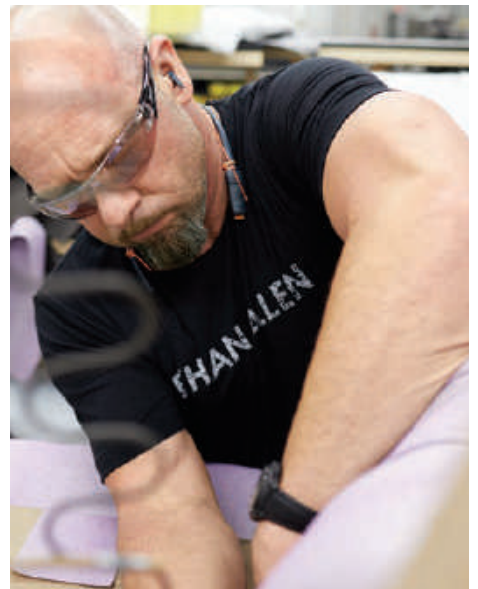

WE'RE PROUD TO SAY  
THAT ABOUT 75% OF OUR  
PRODUCTS ARE MADE  
IN OUR OWN  
NORTH AMERICAN  
WORKSHOPS.

YOU'LL SEE OUR PASSION FOR OUR CRAFT IN EVERY UPHOLSTERED DETAIL; WHETHER FABRIC OR LEATHER, THE RESULT IS ALWAYS A CUSTOMIZED, FLAWLESS FIT.

# CRAFTS MANSHIP

The upholstered furniture you purchase from Ethan Allen is the product of many gifted hands. Artisans who have spent years perfecting their craft make every one of our upholstery pieces to order using the fabric or leather, wood finish, and finishing touches—nailhead trim, welting, accent buttons, tufting—of your choice.

Crafted from engineered, multi-ply hardwood panels that we source from renewable forests, each frame is fitted with mortise-and-tenon joinery and nailed together by hand. We source the finest fabrics from all over the globe: More than half are printed or woven in the U.S., and all are tested to meet the industry's most rigorous standards.

Our leather upholstery is crafted from complete hides—no shortcuts like splits, castoffs, bonded pieces, or vinyl matching. It can take as many as seven hides to upholster a sectional, and we cut and color-blend each one of them by hand.

Cushions and fiber batting crafted from CertiPUR-US® certified foams, custom-weighted tempered steel springs fitted to each frame, legs with low-VOC, water-based finishes that are oven-dried to cure impeccably—exceptional materials and attention to detail have always been the hallmarks of Ethan Allen upholstery.

# TECH NOLOGY

One of the most beautiful parts of a design project is the collaboration between client and designer. Using our proprietary design technology enhances this creative process.

Our stunning 3D Room Planner tool creates incredibly realistic previews of your future space, complete with furniture, accents, lighting, window treatments, rugs, and more. You can see your new room from the top as a 2D floor plan or see it from within as a 3D rendering. We can even send you a link to the 3D walkthrough of your preview, which you can share with friends and family.

To get started, visit a Design Center, or schedule an in-home or virtual appointment with one of our designers. If you want to try the 3D Room planner on your own, grab your room's measurements and visit [ethanallen.com/roomplanner](http://ethanallen.com/roomplanner) to get started.

Not looking to redesign an entire room? You can use your mobile phone or tablet to preview a new piece of furniture or an accent in your current space. Download our EA inHome® app today and make your dream a reality.

We use low-HAP and low-VOP coatings in our furniture finishes to help keep the air cleaner, from our workshops to your home.

When you invest in Ethan Allen furniture, you support our passion and commitment to the fight against climate change. Thank you for helping us keep our home planet a beautiful, cleaner place to live.
