THE CRAFTSPEOPLE YOUR CUSTOM OD FURNITURE

THE CRAFTSPEOPLE OF ETHAN ALLEN HAVE EMPOWERED US TO KEEP MAKING MOST OF OUR FURNITURE IN NORTH AMERICA FOR 91 YEARS. THEY'RE THE STEADFAST GUARDIANS OF A REPUTATION FOR QUALITY THAT HAS ENDURED FOR ALMOST A CENTURY.

They're the people who fire up the kilns, turn on the mills, and prep the industry's most advanced routers for creating intricate turned table legs and bedposts. They're the artisans who carefully fit mortise-and-tenon and dovetail joinery, who create patterns from delicate slivers of veneer, and who apply finishes over carefully prepared surfaces to bring out the wood's natural beauty.

Your furniture begins with wood selected for its exquisite character and quality, much of it from responsibly managed Appalachian forests. **It ends as** a custom creation that has passed through many skilled hands to make its way to the heart of your home.
