where our craftspeople apply their unmatched skill and attentiveness to
every step from shaping and assembling to tailoring and finishing.

When you visit the Design Center or schedule a home call, you will meet
**professional interior designers who combine personal service with
the latest interior design technology,** including custom 3D room plans
that make the design process engaging and help you visualize your
project. Whether you're exploring our furniture and décor options
or selecting details like fabrics and finishes, our interior designers are
here to help, and **our design service is always complimentary.**

Ethan Allen is proud to have been a part of many families for the last
92 years. We take pride in our identity as an American brand that designs our
own products, crafts most of them ourselves, and even delivers them—
all according to standards that will always delight you.

I invite you to **visit the Design Center or schedule a home visit with
one of our designers today,** so you can experience why the value
of Ethan Allen is second to none.

LET'S MAKE YOUR DESIGN DREAMS COME TRUE

WORK WITH ONE OF OUR PROFESSIONAL INTERIOR DESIGNERS
AT THE DESIGN CENTER OR AT YOUR HOME—IT'S ALWAYS
COMPLIMENTARY. OUR DESIGNERS' JOB IS TO LISTEN AND LOOK
AT IMAGES YOU LOVE, THEN TRANSLATE WHAT CAPTURES YOUR
IMAGINATION INTO A WHOLE NEW DESIGN FOR YOUR HOME.

Interior design conversations can start in so many ways. You can say, "I need my living room to work for my kids and my pets."

You can say, "like these pictures from Instagram, but I want to incorporate this cabinet that my grandmother handed down to me." You can even say, "I'm not sure what I want, but something needs to change."

Our designers can make your project as easy and stress free as possible. **Start your interior design conversation today. You'll be glad you did.**

HANDCRAFTED FURNITURE FOR 92 YEARS & COUNTING

YEARS AGO, WE WATCHED MANY FURNITURE COMPANIES MOVE THEIR PRODUCTION OVERSEAS. **WE CHOSE TO STAY RIGHT HERE IN NORTH AMERICA—IT'S WHERE WE MAKE 75% OF OUR PRODUCTS.**

What you see in a magazine or in a Design Center is just the beginning of what we can create. Our craftspeople can fashion your chosen table, buffet, media cabinet, coffee table, and more in any of our durable finishes, adding the unique details available for the furniture you've chosen.

We started crafting furniture in Vermont almost a century ago, and we're proud to say that today, our reputation for quality and craftsmanship endures—**built piece by piece, decade after decade, on the pride and passion of our craftspeople.**
