IS WHAT MAKES ETHAN ALLEN SPECIAL

ETHAN ALLEN®

— THE INTERIOR DESIGN DESTINATION —

Do you know what sets Ethan Allen apart? We as a company are driven by a strong set of core values: traditional craftsmanship, personal service, and state-of-the-art design technology.

In our North American workshops, **where we still make about 75% of our furniture**, our craftspeople exemplify our values through their exacting work. Every piece you order receives our craftspeople's personal attention—just as every piece has for the last 92 years.

Our interior designers provide one-on-one service that includes their expert advice, free samples, and **3D room plans** to help you visualize your project. Whether you meet your designer at home, in a Design Center, or online, **our complimentary design service is included in every project**—a truly unbeatable value.

This spring, **I invite you to schedule a home call or visit a Design Center** to experience our values in action, and to discover the value of owning furniture crafted to last for years to come.

SIGNATURE STYLE

GIVE OUR BELDON BED YOUR OWN SPIN: IT COMES IN HUNDREDS OF FABRICS AND LEATHERS TO SUIT YOUR BEDROOM'S PALETTE AND PERSONALITY.

MADE FOR YOU & BUILT TO LAST

WE HEAR IT ALL THE TIME: "I GREW UP WITH ETHAN ALLEN," "I INHERITED A PIECE OF ETHAN ALLEN I LOVE," AND "I CAN'T WAIT TO GIVE THIS PIECE TO MY CHILDREN." ETHAN ALLEN FURNITURE HAS BEEN A PART OF FAMILIES' HOMES—AND LIVES—FOR 92 YEARS AND COUNTING.

MAIDEN, NC

SILAO, MEXICO

There's long-lasting value in a piece of furniture made by hand to a high standard of quality. That's why we still mill many of our own logs, kiln-dry our wood, and craft most of our furniture ourselves.

Years ago, we watched many furniture companies move their manufacturing overseas. We chose to stay close to home, where our company began—and where **we still craft about 75% of our furniture in our very own workshops.** We don't believe in fast furniture because it takes time to craft something valuable—and for almost a century, the results have been worth the wait.

WE BRING CUSTOM UPHOLSTERY TO LIFE

WHAT YOU SEE ON OUR WEBSITE OR IN OUR DESIGN CENTER IS ONLY THE BEGINNING OF WHAT YOU CAN MAKE WITH ETHAN ALLEN. LIKE A STYLE, BUT PREFER A DIFFERENT FABRIC OR LEATHER? WE'LL MAKE IT HAPPEN.

At Ethan Allen, we're on a mission to make custom quality accessible to everyone. Buy it once, keep it for years, love it for a lifetime—that's our motto.

Within each evenly folded pleat, each hand-placed nailhead, each tuft and accent button lives a craftsman's investment of time and talent.

In return, **our upholstery provides years of hardworking function and exceptional beauty at a value you won't find anywhere else.**

AN INCREDIBLE DESIGN PARTNERSHIP CAN BEGIN WITH A SINGLE PROJECT

Colleen Gahry-Robb's three 2023 Spirit Awards all came from projects she managed for a single client. After they created multiple homes together in Michigan, the client asked Colleen to start designing her new property purchases in Florida.

EA Spirit Award winner:
Best Classic Space, Best
Use of Custom Soft Goods,
and Best Media Space

They have a look they've honed over the years: undeniably classic but transitional, with soft blues and whites. The vibe is visible in the classic living room and in the **gorgeous, handcrafted custom textiles**, including pillows, bedding, and drapery that Colleen designed.

In another property, for a narrow media room, the same client wanted something slightly more coastal. **A wall-spanning set of custom media cabinets steals the show;** sailboat photos and coral-patterned pillows anchor the concept. A mostly white palette, accented by navy, green, and the organic color of rattan, makes the snug space feel larger.

At Ethan Allen, clients can work with professional designers like Colleen for projects big and small, near and far, now and later. **Try this complimentary service for yourself: Schedule a home call with an Ethan Allen designer today.**

EVEN BEFORE HER CLIENT PURCHASES AN INVESTMENT PROPERTY, SHE RELIES ON COLLEEN'S EYE TO LOOK AT THE BLUEPRINTS. **"WE'VE GOTTEN TO THE POINT THAT SHE WON'T BUY OR BUILD A HOUSE UNTIL WE LOOK AT THE PLANS."**
