Astor SOFA

Astor's angular, architectural profile plays modern notes in a classically composed space. Natural materials and an artisan's visible hand are as spiritually grounding as the shoreline view.

Corin DINING TABLE

The rough-sawn texture of Corin's tabletop. Interlocking rings that symbolize togetherness. "Welcome" is clearly communicated through details crafted with precision and care.

**KEEP YOUR TABLE
LOOKING TOPS**
Add a custom-fitted table pad to safe-guard against spills, scratches, and dents. Available in Design Centers.

Colton BED

Clad in distressed charcoal leather, Colton's tuxedo wings become a haven of casual comfort. Linen, sisal, and textured oak keep this sanctuary down to earth.

Evansview

DINING TABLE

With a top crafted from hand-placed sapele veneers and a sculptural base in champagne brass. Evansview pairs well with the posh, plush side dishes that are our new Ilanna chairs.

An optional ring rounds out
Ilanna's elegance factor.

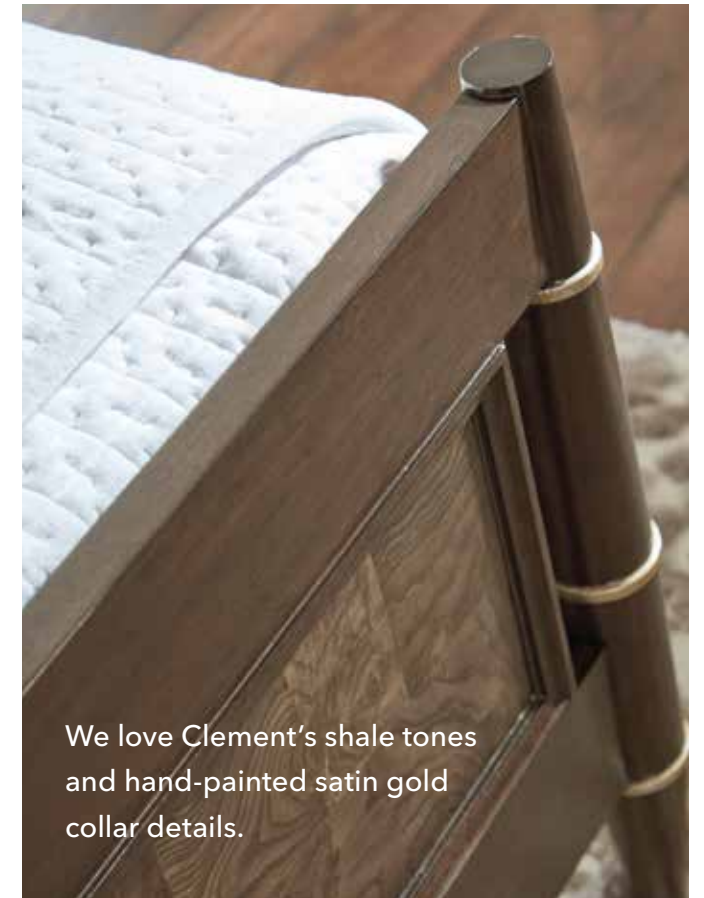

Nathalie SOFA

With hand-tailored tufting, Nathalie anchors this space in art deco allure. Imagine how a channel-stitched back—or a completely different fabric or leather—would change the mood.

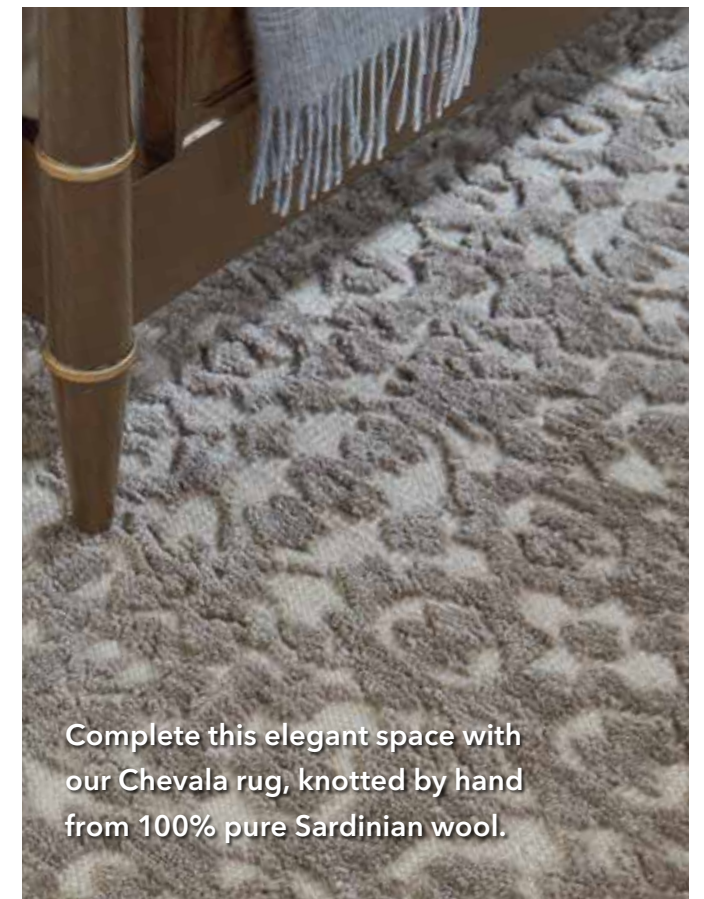

THE *NEW!*
Clement BED

Love the headboard and footboard design? Artisans craft it using hand-placed olive ash burl veneers. Want something different? Replace it with upholstered panels in your favorite fabric.

We love Clement's shale tones and hand-painted satin gold collar details.

Complete this elegant space with our Chevala rug, knotted by hand from 100% pure Sardinian wool.

OF OUR NORTH AMERICAN WORKSHOPS

“Made by hand”
is the way of things
at Ethan Allen—
always has been,
always will be.

MAIDEN, NC

BEECHER FALLS, VT

HONDURAS

BEECHER FALLS, VERMONT

Where our company began and where we mill and kiln-dry lumber from responsibly managed forests.

MAIDEN, NORTH CAROLINA

Where we still tailor every piece of upholstery by hand in one of the world's premier furniture-making regions.

ORLEANS, VERMONT & CHOLOMA, HONDURAS

Where artisans from two corners of North America carve, shape, and finish every piece of wood furniture by hand.

SILAO, MEXICO

Where we still cut and color-blend hides by hand, like the leather artisans who've lived in this region for centuries.

FROM ONE PIECE OF FURNITURE

"At the store, I told my designer what I was looking for in a sofa, and she helped me narrow down the options until I found the perfect style, size, and fabric."

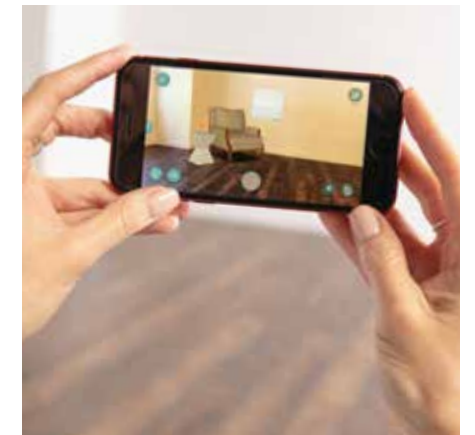

–Emily C., Chicago, IL

TO YOUR ENTIRE HOME

"We ordered furniture for several rooms, which can be overwhelming. Our designer took the time to measure each room and window, and take photos of the house. Within a week, we received a call to come in for a presentation. We loved her suggestions for a sophisticated, coastal-yet-comfortable-feeling home."

–Jan C., Savannah, GA
