TIMELESS ELEGANCE

Ethan Allen's modern take on classic design shines all the brighter in a light palette of cream, nickel, and mineral. Our **Anderson sofa**, with its tuxedo profile, bolster pillows, and channeled back, presides over this formal yet comfortable space.

Contrasts make a neutral room come alive, and this room has them in abundance: the dark wood finishes on our **Charlton bed** and **Powell night tables**, the modern/classic contrast of our **Alba ottoman** and hand-knotted **Samaire rug**.

To make a timeless design feel modern, just add curves. Our **Teresa table**, with its intricate fretwork base, and our bejeweled **Zara chandelier** make a truly sparkling pair.

OPEN THE DOOR AND COME RIGHT IN. WE'LL HANDLE THE REST.

At Ethan Allen, you're not greeted by a salesperson; you're greeted by a professional interior designer who's ready to help with anything you need for your home. **Whether you're looking for a new sofa or you're ready to remake a room, even your whole home, they'll help you from start to finish—and their service is always complimentary.**

START IN THE DESIGN CENTER

Your Ethan Allen designer will take you on a tour to see what kinds of furniture you like, getting to know you and what you want your home to become. After your initial meeting, **your designer may suggest a complimentary home call**—it helps to see the space they're working in and get a real feel for how you live in it.

DECIDE ON A VISION

See your designer's idea of what your home can become, via **a 3D room plan and an HD 4K video walkthrough of the design** that shows you every detail. Clients really love this presentation—we often hear them say "I can't believe this is my home!"—but it can be when you work with Ethan Allen.

HAVE EVERYTHING DELIVERED

When your furniture arrives, Ethan Allen will call to help you plan **the best day of all: delivery day**. The delivery team will assemble each piece as needed, place it where it needs to go, and remove all packaging, treating your home as if it were their own. Your designer will either be present for delivery or provide a detailed map for placing each piece.

CREATE THE HOME YOU'VE ALWAYS WANTED

Have furniture made in the style you love and surroundings decked out in the colors that inspire you, with every piece arranged and every detail chosen for the way you live. **Have your home designed by Ethan Allen—it's complimentary, and you'll love the results.**

MADE WITH PRIDE

BY THE CRAFTSPEOPLE OF ETHAN ALLEN

Our craftspeople are the heart and hands behind every beautifully styled room you see in our Design Centers and in our magazines. The pride they take in their work has made us the brand we are today.

Consider this your invitation to say goodbye to fast furniture and treat yourself to true craftsmanship and customization—**furniture made just for you.**

Our craftspeople build each piece with high-quality bones—responsibly sourced and kiln-dried lumber, high-quality foams and springs. They apply veneer and wood finishes by hand. **They hand-tailor high-quality fabrics and leathers to each frame.**

There's nothing wrong with beige and gray, but they shouldn't be the only available options. That's why we offer **a world of beautiful fabrics, leathers, and finish colors and characters to choose from.**

Each finishing touch, from contrast welt to gold leaf to nailhead trim, is the work of a real craftsman. **Quality and skill go hand in hand—that's why we still make most of our furniture in our own North American workshops.**

When people think "quality," they think "Ethan Allen." Visit a Design Center to **discover the difference for yourself.**

ELEVATED COASTAL

Misted with the colors of sea and sand; both impeccably put together and utterly relaxed.

Our **Ashburn media cabinet**, handcrafted from oak and given a light, lovingly distressed finish, hints at sunwashed driftwood yet maintains a classic presence.

Our **Cameron extension table**, with its baluster-inspired double pedestals, is striking in a hand-applied two-tone finish.

BEFORE

3D ROOM PLAN

AFTER

A color specialist, Peggy recommends bringing in bolder hues in small doses rather than saturating rooms in shades that may not stay on trend. "I like people to walk into a room, sit, and feel relaxed—then notice there's a pop of color here, a pop of color there."

When a client resolved to redo her 30-year-old living room design, she returned to the place she'd trusted all those years ago: Ethan Allen. Designer Peggy Fortuna of Danbury, Connecticut, hadn't created the original room, but they'd collaborated on other design projects in recent years. Recognizing her client's traditional tastes, she set out to create a room that felt new and **fresh yet also timeless**.

Peggy drew on her signature look, which she describes as "visual calm"; it's achieved through **clean, balanced lines, layers of color and texture, and negative space that can visually breathe**. She anchored the long, spacious living room around a large sectional, pairing it with our chinoiserie-inspired **Dynasty coffee table**. Custom pillows with a pagoda

pattern, along with serene layers of green, cream, and gray, enhance the feeling of Zen.

Opposite the sectional, she placed a pair of **Wes swivel chairs**, which the client can either turn toward the television or spin around to face the fireplace. Simple yet impactful window treatments connect the room to beautiful outdoor views; a custom-sized Greek key rug ties the whole room together.

The result was quintessential Ethan Allen of today—classic design, modern perspective—and **a lighter, brighter room that the client loves**. "She told me, 'It's such a lovely space; I look forward to having my morning coffee there,'" Peggy recalls. "It's the perfect pick-me-up."

Ready to create your own definition of classic style made modern? Stop by Ethan Allen, where design service is always included—and always complimentary.
