

the passion & pride of creativity

American craftsmanship and design—for 88 years, these have been the very hallmarks of Ethan Allen, and they always will be. Our commitment to American manufacturing is unwavering: 75% of everything we sell is made in our North American workshops. Whether they're crafting a custom wood table crafted in Vermont or tailoring a sofa by hand in North Carolina, our exceptional artisans are among the finest in their trade. They proudly deliver their best work with every piece they build.

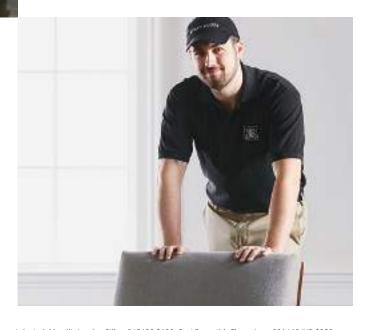

top designers: at your service

Our complimentary design service means our designers are at your service, offering as little or as much help as you need. We can guide you through creating your vision for a new piece or for a single room, or we can design your entire home (if you would rather leave it to the pros and supervise our work). Whether in our Design Centers or in the comfort of your home, our designers and our design services are the best in the industry, and they're always available at no cost to you.

premier in-home delivery

Some call it "white-glove in-home service";
we call it the most important part of our
customers' journey. Exceptional delivery,
expert assembly, and precise installation of
your furniture by our professional delivery teams—
it's yet another service we pride ourselves on.
Did we mention we always clean up after ourselves?
