GRAND LODGE COLLECTION

Introducing Grand Lodge, an exciting collection that offers the very best of Stickley's heritage and quality on an expansive scale. Two impressive casual bedroom groups feature the time-honored solid-wood construction, authentic finishes, and craft that have made Stickley an American furniture authority. And each piece is thoughtfully designed with the robust proportions necessary to anchor a spacious room.

Since 1900 Stickley has been creating quality furniture that is handcrafted with honor, integrity and pride. We continue to sustainably handcraft the finest wood furniture. Thirteen Oakmont and seven Ashwood pieces are handcrafted in Manlius, NY with sustainably sourced hardwood and the attention to detail that Stickley is known for.

OAKMONT

OAKMONT

The Oakmont group is subtly influenced by classic Stickley Mission furniture but achieves its own unique look. Traditional cap rails, corbels, and block feet create a silhouette that nods to our legacy. Yet by keeping these elements restrained, what shines through is the grain of quarter-sawn white oak showcased on broad, uninterrupted surfaces; two proprietary, hand-applied finishes Smoke and Sable, have been formulated to highlight every rich detail. Add a selection of case goods ornamented with custom mission bail pulls finished in bronze with copper undertones to complete a room with beauty in abundance.

ASHWOOD

ASHWOOD

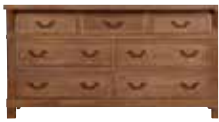

In the Ashwood group, Stickley's traditional construction techniques serve a design of contemporary sophistication. Lines are clean and spare, with a series of horizontal panels providing linear detail. A striking shelter headboard and solid block feet help make the bed a compelling focal point, accompanied by case pieces with custom-designed dark pewter textured square hardware and voluminous storage. Finally, two artisanal finish options Tidewater and Flax, add lightness and an organic quality in keeping with the room's casual elegance.
