

HUDSON VALLEY

STICKLEY®

Embracing a new Americana.

Hudson Valley looks at traditional Americana and its inspiring artisans through a contemporary lens, updating that warm, familiar style with variations that make it new. And in doing so, it offers countless opportunities for both nostalgia and fresh self-expression.

The collection is made from American black walnut in place of the customary cherry. Where a mid-tone brown finish might be more traditional, instead we see a deep Dark Roast finish, which is then paired with light elements of Natural Maple to create a crisp, playful contrast of tones.

On the cover: Spindle Bed, Small Nightstand, and Slatted Bench

Hudson Valley's details honor centuries of makers. Striking marquetry that ties together the collection's wood palette is based on American quilt patterns...

...while spindles, cap rails, and drawer faces with origins in Americana and Shaker craft are given a subtle contemporary spin.

Upholstered seating from Hudson Valley, including a shapely settee, translates traditional forms with a modern scale and tailoring.
